Contact person and telephone number

No person within the Town of Aztalan shall operate a rock crusher or perform blasting who does not have in one's possession a proper permit from the Town of Aztalan. The permit requirement shall include, but not limited to quarries using blasting to supply buildings, ornamental stone and gravel causing operation using portable or fixed crushing equipment.

Applicant shall comply with the Department of Natural Resources, Wisconsin Admin. Code Chapter Comm 7 Explosive Materials, Federal and State Statues.

Such permit shall be \$200.00 per calendar year. No permit fee shall be prorated. Fee shall accompany this application. It is the responsibility of the applicant that requires a permit to submit the application to the Town Clerk by November 1, for the following year license. Failure to do so could result in the license not being issued.
